HEADBOARD

COLLECTION

A beautifully-upholstered headboard provides a bold statement to frame your bed, creating a stunning focal point and finishing touch to both the bed and the bedroom.

Every design detail of the headboards has been carefully considered, providing a range of classic and contemporary styles, from simple and modern, to deep buttoned, upholstered-to-the-floor headboards. Choose your headboard from our collection of stunning designs.

The rear of the headboard is upholstered in a black fabric (unless otherwise stated), alternatively you can request both sides of the headboard to be upholstered in your chosen fabric if the rear will be seen once positioned.

HEADBOARD

COLLECTION

Decide on your headboard style

For a deep divan choose from an elegant euro headboard, upholstered to the floor, available in the same width as the divan (euro-slim) or slightly wider than the divan (euro-wide), or a traditional strutted design, which simply rises from the top of the mattress. Alternatively, those who have opted for a shallow divan base can specify a complementary shallow-style headboard, which creates a floating-like bedstead look.

Headboard sizes

All Hypnos headboards are available in a range of standard size bed widths:

■ Single	w 90cm (3'0")	■ Kingsize	w 150cm (5'0")
■ Small double	w 120cm (4'0")	■ Super king	w 180cm (6'0")
■ Double	w 135cm (4'6")	■ Emperor	w 200cm (6'6")

Please note the individual depth and height dimensions of each Hypnos headboard to ensure the overall headboard and bed looks and fits into your 'space' as planned.
